### MINSTER LOVELL PARISH COUNCIL ALLOTMENTS POLICY

As a result of vacant plots at Minster Lovell Allotments, the Parish Council resolved to publicise their availability to the wider community. With effect from April 2016, plots are now available to both Minster Lovell residents and non-Minster Lovell residents.

Whilst the Parish Council wish to see all plots maintained for the benefit of allotment tenants, it is the policy of Minster Lovell Parish Council to give priority to Minster Lovell residents who require an allotment plot regardless of the length of time a non-Minster Lovell resident has been on the allotment waiting list. The order of priority is otherwise by date the person is added to the waiting list.

Each new tenant will now be asked to provide a returnable deposit of £50 against plots being abandoned part way through the year or left in poor condition. This will be returned at the end of the tenancy to those tenants who leave plots well kept, or cashed and the money used to restore plots that are left in a poor state.
