### Minutes of the Parish Council held on Monday 24 July 2023 at 7.00pm at St Kenelm's Hall.

#### 1. Welcome/Members present and apologies for absence

Present: All Council members were present, four residents and the Clerk  
The Chair welcomed Councillors and Parishioners to the meeting.  
Not in attendance: Cllr Dingwall (WODC)

#### 2. Declaration of interest in agenda items

Cllr D Haley at item 6 re hedge cutting in Wychwood View .

#### 3. Co-option of new Councillor

The election process for the vacant position had been completed. Wendy Usherwood had come forward as the only candidate, so an election was not necessary. A short resume had been available on the Councillor's section of the website. Wendy was appointed after being proposed by Cllr Stowell and seconded by Cllr King. The decision was unanimous. Cllr Usherwood signed the Declaration of Acceptance of Office and completed the Register of Interests.

The Chair invited further nominations from those on the Electoral Register, for the elections in May 2024, when all Councillors would step down. If more candidates came forward than places available, an election would take place. The current number of 7 councillors was agreed as correct despite recent increases in population.

#### 4. Parishioner's public participation (for questions and comments on agenda items)

None at this time

#### 5. To receive the minutes of the Parish Council Meeting dated 19 June 2023

No corrections were made. The minutes were proposed by Cllr Williams and seconded by Cllr Bicker. Six Councillors approved the minutes and there was one abstention, since Cllr Usherwood was not a Councillor at the time.

#### 6. To receive an update from District and County Councillor Liam Walker

Cllr Walker summarised the recent outcome of the outline housing planning proposal for 134 dwellings which was discussed at the Lowlands Planning Committee meeting on 17<sup>th</sup> June 2023. (Please also see 8.3). He thanked everyone who contributed and was heartened by the unanimous decision by District Councillors to refuse the request. The outcome sent a strong message around developers not taking advantage of the Local Plan, with more implications to consider other than housing growth. It was felt likely that an appeal would take place and there was no statutory time limit on this.

The consultation on possible changes to speed limits in the Village was going well. This would be further discussed at the Parish Council meeting in August.

Road surfacing works on Brize Norton Road had finished but some pot holes and uneven surfaces remained.

**ACTION:** Cllr Walker to ask OCC to complete the task.

Complaints had been received about overgrown hedging in Wychwood View, which individual owners had been cutting back. This issue was causing access problems and the hedge on the boundary which can be seen from the A40 was a highways issue. **ACTION:** Cllr Walker to ask OCC to deal with the hedging.

#### 7. To receive an update from District Councillor Colin Dingwall

Cllr Dingwall was not in attendance.

#### 8. To review planning applications, decisions, and appeals\*

8.1 **17/03978/HHD** Receive an update regarding enforcement action: Lavender Cottage, Minster Lovell - Non-compliance with conditions.

The Enforcement team at WODC had reported that an officer had visited the site and was in the process of contacting the landowner. **ACTION:** Clerk to ask for an update for the next meeting.

8.3 **22/03240/OUT** Outline planning permission for the development of up to 134 dwellings (Use Class C3) including means of access into the site (not internal roads) and associated highway works, with all other matters (relating to appearance, landscaping, scale and layout) reserved (amended description) (amended plans)

Update: WODC Lowlands Planning Sub-committee Agenda Item Monday 17<sup>th</sup> July at 2.00 pm.

Cllr Haley thanked Cllr Stowell for the way he had managed the process and presented at the Committee Meetings.

He also thanked Cllr Walker for his supportive comments at the meeting and residents who had contributed. A discussion took place on the merits of including emerging Government policy in providing rebuttal during possible next steps. It was felt a good benchmark had been reached with cross party Members agreeing that there were other important implications to consider about the impact of development in Minster Lovell beyond housing growth.

8.4 **23/01836/S73** | Variation of condition 2 (approved plans) of planning permission 18/00831/HHD to reflect the as-built structure. 31 Whitehall Close Minster Lovell Witney Oxfordshire OX29 0SB.

The original planning application was considered by the Parish Council at item 5b on 16 April 2018. The District Council had asked for a reduction in the size but it was built to the original, taller design and was the subject of enforcement. The Chair read the summary statement to outline the changes. Retrospective permission was being sought. It was proposed by Cllr Stowell that the Council submit a 'no comment' response. This was seconded by Cllr King and approved unanimously. **ACTION:** Clerk

### 9. Review of the action log – for discussion and decisions:

#### 9.1 Repair to fence at Spar Shop

The clerk was continuing to obtain quotes for the work

#### 9.2 OCC Highways Matters

The proposal to create a walkway on the road down to the Lower Village had been declined by OCC in a well-argued response. However there was an offer to erect a pedestrian warning sign which the Council agreed to unanimously after being proposed by Cllr Stowell and seconded by Cllr Williams. **ACTION:** Clerk

**ACTION:** All highways matters to be brought together on the action log.

#### 9.3 Dog and Litter Bins

### 10. Ripley Avenue

#### 10.1 Monthly Inspection Report

There were many residents making good use of the play park and the Queen's Platinum Jubilee bench had been installed. It was agreed that the deep holes in the goal mouths would be addressed through levelling and re-turfing with quotes being sought after the September meeting. The situation may have been made worse through unofficial football training. **ACTION:** Cllr Usherwood to give Cllr Haley a contact number of the group, so that contact could be made to ensure appropriate insurances and health and safety policies were in place. **ACTION:** Clerk to add to August agenda.

#### 10.2 Path Construction

The Engrossment was licence complete with an initial deadline of 30<sup>th</sup> June. More time was required to install the solar bollards and the cycle barrier at the end. It has therefore been agreed that the date in clause 6 a) should be 28 July 2023. **ACTION:** Clerk to remind Vistry that they have until 28<sup>th</sup> July to install the cycle barriers. Some complaints about the hoggin path had been made. Vistry reported that the path was made of natural cementitious properties which bind the material, which lightly scarify for a period of about two weeks after which the path materials should be bedded in.

**ACTION:** Cllrs to check for deterioration for discussion at the next meeting.

#### 10.3 Annual Laurel Hedge Cutting – decision on quotes

It was confirmed that the hedge cutting was part of the Ubico three year contract. **ACTION:** Clerk to ask that the hedges be cut after contacting Cllr King who can explain about the correct hedges to cut.

There was one abstention. **ACTION:** Clerk to confirm with Mr. Collet in writing that he can remove the fir tree on Council land.

Plots 7, 8 and 13 would have their Agreements terminated due to not upholding the Terms. The deposit would be forfeited due to the state of the plots. The leaseholder of plot 14 would be asked to clear the path and repair the fence. **ACTION:** Clerk.

It was reported that there was a dangerous edge to the quarry next to the allotments. It was agreed unanimously that the landowner should be asked to erect a fence after being proposed by Cllr Layt and seconded by Cllr Williams..

**ACTION:** Clerk

### 11.2 Provision of skip

The provision of a skip was approved unanimously after being proposed by Cllr Williams and seconded by Cllr King. **ACTION:** Cllr Haley to arrange through B & E skips.

Thanks were extended to all the children and the school for contributing. Information was also being shared with Burford and Eynsham who have just been through the process of enhancing outdoor spaces. Cllr King had only found existence of one consultant which was agreed upon, evidencing that three quotes were not possible. The consultant had quoted £2500 for procurement and tendering and £3000 for project management. The VAT position was not yet clear. The company installing the noticeboards replaced the one outside the Spar shop instead of the post office. The company has offered to install either a new one or the old Spar Shop board outside the post office at no extra cost.
